

Make a Difference in your Community as an OSU Day of Service Site Leader

Beavers across the nation know the value of community service, it is what we do. We, as a Beaver Nation, give back in a myriad of ways year-round. Join us in May and do what you do best, volunteer in your community.

We are looking for volunteers who would like to take a leadership role in their city by being a liaison between a service site and the OSU Alumni Association. As a site leader your responsibilities would include:

Site Leaders

- Assisting OSUAA staff in identifying and setting up a service project.
- Serving as liaison between community organization and OSUAA, coordinating logistical details of the service project with the assistance of OSUAA.
- The OSUAA will reach out to all alumni in your area to help find volunteers. We ask that you assist by spreading the word through your own social networks as well.
- Be the main contact the day-of and assist the site with logistics.
- We also encourage site leaders to secure snack donations for participants following event.

Please send an email to osualum@osualum.com if you are interested in being a site leader or call 541-737-2351. Please indicate the city you live in and that you are stepping up to this leadership role.

Information regarding the days of service is posted on the association's webpage at ForOregonState.org./service and will be updated as projects are developed.
